

Wake Up

SOiL

It was in something said
And I can't remember the words
Or the voice of their birth
Simple words dance in my head
Listen... sometimes backwards
Listen... sometimes sour
Listen...

I just want to be real
And just feel how I feel

Get it, got it, get it
Don't wanna be a would have been could have been
Got it, get it, got it
Wake up, wake up

Time ticks down until the end
Easily stuck in my head
Feel it sinking in
Simple words dance in my head
Listen... sometimes backwards
Listen... always inward
Listen...

I just want to be real
And just feel how I feel

Get it, got it, get it
Don't wanna be a would have been could have been
Got it, get it, got it
Wake up, wake up
Get it, got it, get it
Don't wanna be a could have been should have been
Got it, get it, got it
Wake up, wake up

Wake up, wake up
Wake up, wake up

Don't wanna be a would have been could have been
Wake up
Don't wanna be a could have been should have been

Get it, got it, get it
Don't wanna be a would have been could have been
Got it, get it, got it
Wake up, wake up
Get it, got it, get it
Don't wanna be a could have been should have been
Got it, get it, got it
Wake up, wake up
