

## Black Star Deceiver

Soilwork

Black star whenever you're ready  
You're much too far away  
By now your soul seems steady  
Now crawl to the cross

Meanwhile time takes a turn  
I'm feeling damned when you make it burn  
Let's testify you're born to die  
You speak the truth and so do I

Don't give it away  
Don't give it away  
Don't try to nail  
Don't you try to nail  
Don't try to nail

Black star whenever you're ready  
You're much too far away  
By now your soul seems steady  
Now crawl to the cross

Black star deceiver kills it all  
The sun lies waiting for a call

You seem to be a fatal one  
Come watch me preach under the gun  
I'm down and out, so down and out

Black star whenever you're ready  
You're much too far away  
By now your soul seem steady  
Now crawl to the cross

Black star deceiver kills it all  
The sun lies waiting for a call

Black star deceiver kills it all  
The sun lies waiting for a call

Take me away, I'm in distress  
Oh, grand deceiver, put me to rest  
I was never in pain, sick or insane  
So hear me now you're the one that I blame

Meanwhile time takes a turn  
I'm feeling damned when you make it burn  
Let's testify you're born to die  
You speak the truth and so do I

Don't give it away  
Don't try to nail

Black star whenever you're ready  
You're much too far away  
By now your soul seem steady  
Now crawl to the cross

Black star deceiver kills it all  
The sun lies waiting for a call

Black star deceiver kills it all  
The sun lies waiting for a call
