## **Black Star Deceiver**

## Soilwork

Black star whenever you're ready You're much too far away By now your soul seems steady Now crawl to the cross

Meanwhile time takes a turn
I'm feeling damned when you make it burn
Let's testify you're born to die
You speak the truth and so do I

Don't give it away Don't give it away Don't try to nail Don't you try to nail Don't try to nail

Black star whenever you're ready You're much too far away By now your soul seems steady Now crawl to the cross

Black star deceiver kills it all The sun lies waiting for a call

You seem to be a fatal one Come watch me preach under the gun I'm down and out, so down and out

Black star whenever you're ready You're much too far away By now your soul seem steady Now crawl to the cross

Black star deceiver kills it all The sun lies waiting for a call

Black star deceiver kills it all The sun lies waiting for a call

Take me away, I'm in distress
Oh, grand deceiver, put me to rest
I was never in pain, sick or insane
So hear me now you're the one that I blame

Meanwhile time takes a turn
I'm feeling damned when you make it burn
Let's testify you're born to die
You speak the truth and so do I

Don't give it away Don't try to nail

Black star whenever you're ready You're much too far away By now your soul seem steady Now crawl to the cross Black star deceiver kills it all The sun lies waiting for a call

Black star deceiver kills it all The sun lies waiting for a call
