

## Follow the Hollow

Soilwork

I fought the forces that will bring me down  
They crawl without a sound  
They wake me up at night, kill the lights, make it right  
No time for slumber I'm getting dumber every sigh,  
Everytime I'm standing tall, everytime I rise and fall

I think we're closer now, I'm getting nearer  
I can see it touching ground, it's getting clearer  
Can't you see I'm way behind, I'm so sincere  
I believe you'll never find.

Wee out the sun, under the gun  
Kneel down for the ricochet  
My future tells no lies to a creature with o rights  
As for the plans I have in mind I have nothing left to find  
Please show a sign, who's next in line?

I think we're closer now, I'm getting nearer  
I can see it touching ground, it's getting clearer  
Can't you see I'm all denied faithfucked believer  
I claim you'll never find a better fear

Take a look, take a ride, stay by my side  
Don't dare to think-let's FOLLOW THE HOLLOW  
It kills your pride to be alive  
Please step a side, cause I FOLLOW THE HOLLOW!

We head for hell and we do it well, come eat the dust  
Cause it's all a dirty lie that chokes the sky

I think we're closer now, I'm getting nearer  
I can see it touching ground, it's getting clearer  
Can't you see I'm way behind, I'm so sincere  
I believe you'll never find a better fear

Take a look, take a ride, stay by my side  
Don't dare to think-let's FOLLOW THE HOLLOW  
It kills your pride to be alive  
Please step a side, cause I FOLLOW THE HOLLOW! (2x)
