## **Like the Average Stalker**

## Soilwork

I think you just forgot to tell me why Why I was fading out again
Why my mask of sanity was slipping off again, my friend Beware of hatred when your time stands still

Like the average stalker, forge to forgive Like the average stalker

I'm just sliding, disappear into the night Like a strange and a forgotten light One, two, three, four and I'm at your door Calculating infinity

In my silence where no one else can hear What is right, what is wrong

In my silence where no one else forgives Where the sane and insane strikes together as one

Like the average stalker, forge to forgive Like the average stalker

Where is the fire, it makes no sense at all I'm just hiding beneath the hour Disabled through affliction I can't reach out Reach out, reach out

In my silence where no one else can hear What is right, what is wrong

In my silence where no one else forgive Where the sane and insane strikes together as one

With a violent work of art I proceed In this lack of faith I get what I need What I need!

Like the average stalker, forge to forgive Like the average stalker

Like a silent talker Like the average stalker
