

In the jar born to die  
feeling sick couse my life's gone to far  
blood will rain, so indane  
liers will get burned  
onjection overruled  
life's a mirror who won't get fooled  
a story of another kind  
always so hard to find

Razorlives!  
liers will get burned  
Razorlives!  
history will turn  
Razorlives!  
liers will get burned  
Razorlives!  
history will turn

Meaning out of sight  
can life be so pure, so bright?  
terror in your soul  
speaking to a wall who's already been told  
if life is life and death is death  
why do I feel my destiny's breath  
seeing through different eyes  
cause we're all devils in disguise!

Razorlives!  
liers will get burned  
Razorlives!  
history will turn  
Razorlives!  
liers will get burned  
Razorlives!  
history will turn
