

# Losing My Mind

Soja

Theres no picture in the wall  
Theres no rise and theres no fall, and in the morning,  
I'm all right, alone without you.  
Theres no phones and theres no calls  
There no talking to you at all  
And I dont care,  
Late at night when its not you

But when I look out in the rain  
I think about the past  
I want it again  
I think about the way you feel  
Inside, I start losing my mind

Theres no formulated plans  
Theres no way and theres no chance  
-its been too long-  
And its all back behind me  
Theres no going down that road  
And I know right where it goes  
If I keep walking away,  
Nothing reminds me

Theres no fight and theres no tears  
Theres no need if youre not here  
And I'm not the same anyway, anymore  
Theres no need to write this song  
Cuz theres no changing whats been done,  
And theres no changing what's inside  
And it looks like it gonna storm
