

## Am Lifted

SoKo

Tata God u too much  
To me u' re more than a friend  
Age to age u never change  
U' re still de same  
U never fail  
Am lifted from zero to hundred  
Now I can fly like an eagle  
Thank u for making me as I am

Lelo lesa wandi nanjimya  
Lelo ma God has lifted me

Your will be done unto me as u wish  
Ma enemies wanna turn me down  
But they fell on knees  
Even though I walk into the valley of shadow of death, I fear n  
o harm  
Cos u always with me  
U never rest until u see me prosper  
Thank u for the cross of calvary  
Dying for ma sins  
So I can be saved  
Thank u for lifting me up

Lelo lesa wandi nanjimya  
Lelo ma God has lifted me

Nanjimya nanjimya(am lifted)nanjimya nanjimya  
I can fly  
I can fly  
I can fly  
Fya kwa lesa  
Peace heavens
