

## Bad Poetry

SoKo

You make it rhyme, but it doesn't  
And when you cry, you really mean it  
Don't you?  
When I read through the lines  
All I see is  
Bad poetry

You're taking course of litterature francaise  
And way too often  
You drop a name like verlaine  
And all the legends that you like  
They don't pretend  
As much as you try  
It's bad poetry

Amour amour  
Sans toi je ne suis rien  
Ton absence me hante  
Du soir jusqu' au matin  
Car le son de tavoix  
A envahi mon coeur  
Si doux, si delicat  
Amour, sans toi je meurs  
Ahah, it's bad poetry...
