

I Wanna Look Like A Tiger

SoKo

the other night with my friend we had a big big
conversation
he was trying to prove me in many ways that we are
animals
he said, "step back and look at me, can't you see that
i'm a monkey?"
step back and look at me, can't you see that i'm a
monkey?
i say "no no no, you look pretty good to me."
i say "no no no, you're not so hairy."

but he says i look like a monkey
but he says i look like a monkey
but he says i look like a monkey with a tail

but he also looked like a penguin
he also looked like a penguin
he also looked like a penguin with no tail

if you wanna be respected you have to prove that you're
the stronger
and if you wanna be the stronger you have to stop
trusting anyone
and if you're not trusting anyone you're going to end
up with no friends
and if you end up with no friends you're gonna feel so
lonely
and if you feel so lonely you're gonna seek for new
friends
and if you find some new friends you're gonna think
they are so great
and if you think they're so great in 2 minutes you'll
give them everything
but they don't deserve it

oh my little soko, you have to stop being so naive
you should be wise and understand that life's a bitch
life's a bitch!

so now i wanna look like a tiger
i wanna look like a tiger
i wanna look like a tiger with a tail

but he said i look like a baby cat
he said i look like a baby cat
he said i look like a baby cat with a baby tail

but i wanna be like a tiger (white)
i wanna be like a tiger (white)
i wanna be like a tiger (white)

i wanna look like a tiger
i wanna look like a tiger
i wanna look like a tiger
i wanna look like a tiger with a tail

but he said i look like a baby cat

he said i look like a baby cat
he said i look like a baby cat with a baby tail

i wanna look like a tiger
i wanna look like a tiger
i wanna look like a tiger with a tail
with no tail
