

# Losing You

Solange

Tell me the truth boy, am I losing you for good?  
We used to kiss all night, but now there's just no use  
I don't know why I fight it, clearly we are through  
Tell me the truth boy, am I losing you for good

I know you're waiting for the rest that you can't get from me  
Just treat me good and baby I'll give you the rest of me  
I'm not the one, that you should be making your enemy  
I'm not the one, that you should be making your enemy

Tell me the truth boy, am I losing you for good?  
We used to kiss all night, but now there's just no use  
I don't know why I fight it, clearly we are through  
Tell me the truth boy, am I losing you for good

There's nothing more I know you're taking it away from me  
I gave you everything and now there's nothing left of me  
I'm not the one, that you should be making your enemy  
I'm not the one, that you should be making your enemy

Tell me the truth boy, am I losing you for good?  
We used to kiss all night but now there's just no use  
I don't know why I fight it, clearly we are through  
Tell me the truth boy, am I losing you for good

Tell me the truth boy, (Baby you know I tried) am I losing you for good?  
(Can't lose you from my life)  
We used to kiss all night (Baby you know I tried) but now there's just no use  
(How could you waste time?)  
I don't know why I fight it, (Baby you know I) clearly we are through  
(Can't lose you from my life)  
Tell me the truth boy, (Baby you know I) am I losing you for good?
