

# Darkness Darkness

Solas

Darkness, Darkness  
Be my pillow  
Take my hand and let me sleep  
In the coolness of your shadow  
In the silence of your deep

Darkness, Darkness  
Loud and lonesome  
Is the day that brings me here  
I have felt the edge of silence  
I have known the depths of fear

Darkness, Darkness  
Hide the yearning  
For the things that cannot be  
Keep my mind from constant turning  
Toward the things I cannot see

Darkness, Darkness  
Loud and lonesome  
Is the day that brings me here  
I have felt the edge of silence  
I have known the depths of fear

Darkness, Darkness  
Be my blanket  
Cover me with the endless night  
Take away the pain of knowing  
Fill the emptiness of right

Darkness, Darkness  
Be my pillow  
Take my hand and let me sleep  
In the coolness of your shadow  
In the silence of your deep

Darkness, Darkness  
Hide the yearning  
For the things that cannot be  
Keep my mind from constant turning  
To the things I cannot see

Darkness, Darkness  
Be my blanket  
Cover me with the endless night  
Take away the pain of knowing  
Fill the emptiness of right
