

## There Is A Time

Solas

There is a time for love and laughter  
The days will pass like summer storms  
The winter wind will follow after  
But there is love and love is warm

There is a time for us to wander  
When time is young and so are we  
The woods are greener over yonder  
The path is new the world is free

There is a time when leaves are fallin'  
The woods are gray the paths are old  
The snow will come when geese are callin'  
You need a fire against the cold

So do your roaming in the springtime  
And you'll find your love in the summer sun  
The frost will come and bring the harvest  
And you can sleep when day is done
