

Brothers & Sisters

Soldiers of Jah Army

They said we'd come like water, but
I know we come like fire.
InI are the soldiers, right now,
speak truth in every way.
Live it up for no one but Jah.

Water pollution, no solution.
I live on this earth and I Mean, how long
will people remain in this way, so strange?
I turn the page but the words never change
They cutting the trees that giving me life,
and raise up the animals to watch them die,
the sky is giving off acid rain
again and again, it's the same,

But don't worry brothers, don't worry sisters.
Listen, little one, I mean that Jah protect us.
All of us, brothers and sisters.

Bullets chase and the soldier run.
American't and Hussein Saddam
Gommorah catch a fire, you gonna get burned
Jah got them a seat in the valley of decision.
Russia, America and Asia
Setting the stage for the 3rd World War.
For how far we've come, we have never come far
if you end my world in chemical war.

(Breakdown)

Pass me the fire babylon burn dome
Burn the wickedness with more heat.

Pass me the fire babylon burn down
Pass me the flame so I can fling it all around.
These seven countries in the world keep on making all the deals
,
little did they know he was loosing the 7 seals.
Look in your heart, you can see it manifest.
I know what make man great is the heart that's in his chest.
So choose the path of love icause truth and rights could never
rest, and don't worry Jah Jah children icause Selassie I protec
t
you
