

## Losing My Mind

Soldiers of Jah Army

Theres no pictures on the wall  
Theres no rise and theres  
No fall, and in the morning,  
I'm all right, alone without you.  
Theres no phones and theres no calls  
Theres no talking to you at all  
And i don't care,  
Late at night when its not you  
But when i look out in the rain  
I think about the past  
I want it again  
I think about tha way you feel  
Inside, i start losing my mind  
I'm losing my mind

Thres not formulates plans  
Theres no way and theres no chance  
-its been too long-  
And its all back behind me  
Theres no going down that road  
And i know right where it goes  
If i keep walking away,  
Noting reminds me

There no fights and theres no tears  
Theres no need if you're not here  
And i'm not tha same anyway, anymore  
Theres no need to write this song  
Cuz theres no changing whats been done,  
And theres no changing whats inside  
And it looks like its gonna storm.
