

Rest Of My Life

Soldiers of Jah Army

If i could spend the rest of my life with my people
I would do it over and over again
Leave it up to them to fill up their steeple
Leave it up to us to fill up our friends

If i could spend the rest of my life with my people
I would do it over and over again
I'm within my mind that i know there's no equal
When i'm falling out yo will they pull me back in

It was long ago
And we were younger so
And our lives we part wrote
Feel it, feeling
Yeah

And i remember everyday
Sometimes it's too much to take
I break down without no heartache
And i mean it, and i mean it

If i could spend the rest of my life with my people
I would do it over and over again
Leave it up to them to fill up their steeple
Leave it up to us to fill up our friends.

If i could spend the rest of my life with my people
I would do it over and over again
I'm within my mind that i know there's no equal
When i'm falling out yo will they pull me back in

They say we've had fun
but let this go
Music don't go deep but no
We think we could help this world if only we try
But we grow up
At least that's what they say
We came to when we pray
But I tell myself everyday that none of that applies

If i could spend the rest of my life with my people
I would do it over and over again
Leave it up to them to fill up their steeple
Leave it up to us to fill up our friends.

If i could spend the rest of my life with my people
I would do it over and over again
I'm within my mind that i know there's no equal
When i'm falling out yo will they pull me back in

All i really need
Is all i have ever seen
Only thing works for me
Is to feel it feeling
And when we turn to leave
And others turn to be
Its always on my sleeve

And i mean it and i mean it

If i could spend the rest of my life with my people
I would do it over and over again
Leave it up to them to fill up their steeple
Leave it up to us to fill up our friends.

If i could spend the rest of my life with my people
I would do it over and over again
I'm within my mind that i know there's no equal
When i'm falling out yo will they pull me back in

Pull me back
Pull me bach yeah
Pull me back
You always pull me back in.
