

The Macho Vehicle

Solefald

Sex from backyards - porches
Out - into chambers - arenas
Parliaments of men
Broadcasted boys

We fell off the macho vehicle
As batons from the scientific rev
Lost their bastille in paris 68

Paternity dyed red
World pornography fall

No floor for the colossus
No divine divan
- on words to rest -

No more soil
Sown with peasant lies
Burden carried by
One
