

Pretty Face

Sóley

I see my pretty face in his old eyes
I listen to our blood run side by side
I throw my hands to you
And run away
Its so cold so dangerous that I can't stay

I run away from you
Into your dream and who
the one
That I was in when you took me
That I could never meet my friends
Again

I thought I touched them but I can't feel them in your dream
They want to take me but I will hide from them
Tonight I take your life and throw it far away
I'll use my pretty face to find my way to him

I run away from you
Into your dream who the one
That I was in when you told me
That I could never meet my friends
Again

Will you be my friend in my dream?
Just Take that pretty off show me

Will we ever have a baby ?
Just Take that pretty off show me

Are you my friend ?

Will you be my friend in my dream?
Just take that pretty face off show me
