

# Come On Everybody

Solid Base

(Hey Hey Hoo)

Come on everybody let's have fun  
We gonna have a party in the sun  
Come on everybody sing with me  
Ohoo Ohoo !

Sing it Ooh !

Yes ! I'm back on the mike  
And I come to give you somethin' that you very like  
So put your hands in the air  
Everybody out there  
Wave'em all around that you just don't care

There's a party going on and you all invited  
Listen to the beat that would keep you animated  
With S.O.L.I.D. on the case  
You know what's up, we're gonna rock this place

Sing it Ooh, we're gonna get together  
Sing it Ooh, from now and 'til forever  
Sing it Ooh, come on now everybody  
Sing it Ooh, this is how we party

Sing it ooh !

Sing among with me  
And we'll have a good time for among you see  
That is a party going on all do the night  
So party people out there let me show you what is all about

Shake it to the left  
Shake it to the right  
Let the base pumpin' that you booging on now  
So come on everybody let's sing it together  
Yo ! keep the party going forever and ever

Sing it Ooh, we're gonna get together  
Sing it Ooh, from now and 'til forever  
Sing it Ooh, come on now everybody  
Sing it Ooh, this is how we party, Ooh

Summer time, it's my favorite season  
I wanna party and you know we gonna have fun  
All I have ever wanted, all I have ever needed baby  
So move you body 'til the sun goes down

Sing it Ooh, we're gonna get together  
Sing it Ooh, from now and 'til forever  
Sing it Ooh, come on now everybody  
Sing it Ooh, this is how we party

Sing it, Ooh !
