

Dancing With An Angel

Solid Base

I am dancing with an angel
Feeling like a God
'Cause I'm here with you
My love is strong enough to hold you
If you're gonna fall
I'll be there it's true
I'll be waiting for you baby
Come back into my life again, yeah, yeah
We can dance, will be nice
We'll never come again
We'll never come again, no

Love maybe strong
We both can be brave
But you are, you got to seek it
You got to feel it, you got to feel it
If this is love for real
'Cause a lot of hearts has been broken by all those lies
That has been spoken so don't make a lot of mess
Just show love, joy and happiness

I am dancing with an angel
Feeling like a God
'Cause I'm here with you
My love is strong enough to hold you
If you're gonna fall
I'll be there it's true
I'll be waiting for you baby
Come back into my life again, yeah, yeah
We can dance, will be nice
We'll never come again
We'll never come again, no

I've been waiting such a long time
I've been waiting for you
I've been waiting such a long time
I've been waiting for you

Express yourself in the right way
And you will feel love anyday
It's not just another lame as game
Where you can be the judge on who to blame
It's a lot of things to keep in mind
To be sweet, tender and also kind
So if you wanna feel this true affection
You're ready for the love injection

I am dancing with an angel
Feeling like a God
'Cause I'm here with you
My love is strong enough to hold you
If you're gonna fall
I'll be there it's true
I'll be waiting for you baby
Come back into my life again, yeah, yeah
We can dance, will be nice
We'll never come again

We'll never come again, no

I've been waiting such a long time

I've been waiting for you

I've been waiting such a long time

I've been waiting for you
