

# He's Playing Hard To Get

Solid Harmonie

He's playing hard to get  
He just won't admit it  
That he likes me  
(2x)  
I can tell by the look in his eyes  
that he's in to me  
'Cause when he passes by, says hi  
I can tell by his smile, he's as shy as can be  
(He's playing)  
I don't think he can see my crush on him  
But I can feel his crush on me  
I can feel his vibe for me  
Even though he hasn't said a word  
I bet he's glad I'm reading his mind  
'Cause there's so much, he wants to say  
But he doesn't have the nerve  
And all that he doesn't say, I'm sure  
I'll see it in his eyes  
You don't have to say a word  
But still I know how deep  
The feelings are you have for me  
Your smile and the look in your eyes  
Says more than any words you could ever speak  
Come on baby  
So why are you doing this  
Playing hard to get  
I know that you want me  
I see it in your eyes, you can't hide it  
You're playing hard to get  
(Playing hard to get)  
And all that he doesn't say, I'm sure  
I'll see it in his eyes
