

# I Want You To Want Me

Solid Harmonie

I want you to want me,  
For all that I am I,  
Hope that you will try to understand  
Do you feel the same?  
Do you feel the same?

(Do ya, do ya baby)

I want you to want me for all that I am  
And i'll never leave you behind  
I want you to be by my side you're always on my mind  
Baby am I the only?

We've got to stop this game  
Tell me do you feel the same?

I want you to want me,  
For all that I am I,  
Hope that you will try to understand  
Do you feel the same?  
Do you feel the same?

Now take a good look what you see is for real  
You know I've got nothing to hide  
The way that I am is the way that I feel for you now  
Baby am I the only?

We've got to stop this game  
Tell me: do you feel the same??

I want you to want me,  
For all that I am I,  
Hope that you will try to understand  
Do you feel the same?  
Do you feel the same?

Everybody knows that I need you  
There ain't nothing in the world I wouldn't do  
Please understand  
This is what I am

I want you to want me,  
For all that I am I,  
Hope that you will try to understand  
Do you feel the same?  
Do you feel the same?

Everybody knows that I need you  
There ain't nothing in the world I wouldn't do  
Tell me now  
Baby am I the only baby

I want you to want me,  
For all that I am I,  
Hope that you will try to understand  
Do you feel the same?  
Do you feel the same?
