

Stupidity

Solomon Burke

Hey (Hey)
Everybody (Everybody)

All around the world
Every boy and girl
Take a lesson from me
That's - a stupidity

My Mama
she says I silly
My Papa
says I look like a fool

Baby,
I don't mind criticism
They do that
every day in school

Come along with me
See how much
fun it can be
Wah-watch me

Oh, baby that's a stupidity

My Mama
she says I silly
My Papa
says I look like a fool

But
I don't mind criticism
They do that
every day in school

Come along with me
See how much fun it can be
Watch it on tv

(No, Baby) That's a stupidity

You make me feel so good...
