

# Stupidity

Solomon Burke

Hey (Hey)  
Everybody (Everybody)

All around the world  
Every boy and girl  
Take a lesson from me  
That's - a stupidity

My Mama  
she says I silly  
My Papa  
says I look like a fool

Baby,  
I don't mind criticism  
They do that  
every day in school

Come along with me  
See how much  
fun it can be  
Wah-watch me

Oh, baby that's a stupidity

My Mama  
she says I silly  
My Papa  
says I look like a fool

But  
I don't mind criticism  
They do that  
every day in school

Come along with me  
See how much fun it can be  
Watch it on tv

(No, Baby) That's a stupidity

You make me feel so good...
