Freedom Denied

Mind so gone The existence of your thought are dead Individualism is a lie Forced acceptance of a false sense of price Conciousness Misquided heads Open minds have fallen dead Blinding lights Freedom died Lies Obscured views Plants the seed inside the youth Rejected being Spawn recedes � denied esteem Hideously Victim to the machine Blame I realize Freedom has died Upset by pride Freedom denied Disassembles feelings Turn to face hypocrisy Torn beings Left to swell, suffer beneath The remains Our society so lost To machines
