

## Pray

## Solstice

New found evidence  
Apparent disbelief  
Brothers in faith  
Without a God  
Purity now corrupt  
Messiah laid to rest

Dead in the public eye  
Dispell the faith of human kind

Tear the heart of being  
The light everlasting

Faith is proven failure  
Annihilate the savior  
Deviate the maker  
The world is cast aside

Pray

Wisdom falls to science  
And burns in his defiance

Faith is proven failure  
Annihilate the savior  
Deviate the maker  
The world is cast aside
