Someone Still Loves You Boris Yeltsin

Gwyneth
It's an easy move
Whenever people touch
Gwyneth

Gwyneth
Bought a flowered hat
Talking to her cats
Gwyneth

I know it'll all turn out okay
I know we will leave this town someday
I know your blonde hair's gotta fade
Gwyneth

Gwyneth
No one really knows
Where she buys her clothes
Gwyneth

She knows she knows
I know she knows she knows
