

## Gwyneth

### Someone Still Loves You Boris Yeltsin

Gwyneth  
It's an easy move  
Whenever people touch  
Gwyneth

Gwyneth  
Bought a flowered hat  
Talking to her cats  
Gwyneth

I know it'll all turn out okay  
I know we will leave this town someday  
I know your blonde hair's gotta fade  
Gwyneth

Gwyneth  
No one really knows  
Where she buys her clothes  
Gwyneth

She knows she knows  
I know she knows she knows
