Some things will stay the same The shape of a power point won't change And I won't back away and run If you make me feel strange She's the hand at the end of the arm And she's got a lot to say She thinks the world is falling apart But that's okay She just wants to be happy A place for everything And everything in its place I get better, wait and see She amazes me It's kinda hard to see in here But there's nothing to see So who cares? Drank coffee all night and now I can't sleep I think I opened a secret file I let her look for a little while And now I'm waiting for the ambulance to arrive She just wants to be happy A place for everything And everything in its place I had better wait and see She amazes me I couldn't understand the instructions And the clock sounds like it's ticking slow And this book is in another language A language I don't know I used to tie double knots But now I couldn't be fucked Things are getting stupider all the time She just wants to be happy A place for everything And everything in its place I had better wait and see She amazes me, you're confusing me You're confusing me
