Flickers

And with my opened mouth I join the singing light I can see the flickers Over me the lanterns raised Lift me up Lift me over it Show me what you're hiding Take me out into the sea Lift me up (I hear the singing light) Lift me over it (Lift me up, lift me up, lift me over it) And with my opened mouth I join the singing light (Lift me up, lift me up, lift me over it) (Lift me up, lift me up, lift me over it) And with my opened mouth I join the singing light I can see the flickers Over me the lanterns raised Lift me up

Lift me over it
