

Leave the Riches

Son Lux

Leave the riches,
take the bones
I'm ready to be robbed
I'm ready for your thieving hand
Leave the riches,
take the bones

Leave the linen and take the bones
I'm ready to undress
I will become a breathing man
Leave the linen and
Take the bones

Take those clothes off you
Let them go

Leave the riches
Take the bones
I'm ready to be robbed
I'm ready for your thieving hand
Leave the riches,
take the bones

Leave the linen and take the bones
I'm ready to undress
I will become a breathing man
Leave the linen and
Take the bones

Take those clothes off you
Let them go

Take those clothes off you
Let them go

Leave the linen and take the bones
I'm ready to undress
