

## Leave the Riches

Son Lux

Leave the riches,  
take the bones  
I'm ready to be robbed  
I'm ready for your thieving hand  
Leave the riches,  
take the bones

Leave the linen and take the bones  
I'm ready to undress  
I will become a breathing man  
Leave the linen and  
Take the bones

Take those clothes off you  
Let them go

Leave the riches  
Take the bones  
I'm ready to be robbed  
I'm ready for your thieving hand  
Leave the riches,  
take the bones

Leave the linen and take the bones  
I'm ready to undress  
I will become a breathing man  
Leave the linen and  
Take the bones

Take those clothes off you  
Let them go

Take those clothes off you  
Let them go

Leave the linen and take the bones  
I'm ready to undress
