

## Stand

Son Lux

You stand between me and all my enemies  
You stand between me and all my enemies  
You stand between me and all my enemies  
You stand between me and all my enemies

You stand between me and all my enemies  
You stand between me and all my enemies  
You stand between me and all my enemies  
You stand between me and all my enemies

You stand between me and all my enemies  
You stand between me and all my enemies  
You stand between me and all my enemies  
You stand between me and all my enemies

You stand between me and all my enemies  
You stand between me and all my enemies  
You stand between me and all my enemies  
You stand between me and all my enemies

You stand between me and all my enemies
