

Your Day Will Come

Son Lux

Close your eyes
Swallow the sun
You have only just begun
Begun

Your day will come
Your day will come
From deep inside you
Your day will come
Your day will come
Your day will come
And from deep inside you
Your day will come

So open your ears
Open your ears
And tell me what you hear
Hear

And tell me what you hear
Tell me what you hear
Tell me what you hear
Oh, and tell me what you hear
Tell me what you hear
Tell me what you hear
Tell me what you hear
Oh, and tell me what you hear
Tell me what you...

Close your eyes
