Close your eyes Swallow the sun You have only just begun Begun

Your day will come
Your day will come
From deep inside you
Your day will come
Your day will come
Your day will come
And from deep inside you
Your day will come

So open your ears
Open your ears
And tell me what you hear
Hear

And tell me what you hear
Tell me what you hear
Tell me what you hear
Oh, and tell me what you hear
Oh, and tell me what you hear
Tell me what you hear

Close your eyes
