Sonata Arctica

Should it roll?
Tape is rolling.
You are too old.
You are too old?

Best flamenco... (laughing)
Best flamenco, what?
Best flamenco is very good.
It was there in a hotel's lobby.

Where is Paasikoski? I can't see him.
Where is marko?
He's still lost after that April Fool gag.
But this song has no bass anyway

Doesn't have any keyboards neither
Well, well
Ok, let's start.
I'm so nervous.
Just calm down.

Hey! Hey! Intro.
Hey! woo! Wohoo! Alright.
Don't fucking break it up!
