

## Everyone's Rooting For You

Sondre Lerche

Don't be ridiculous sweet darlin  
Its so unlike you to be blue  
You had 'em the moment you walked in  
Everyone's rooting just for you  
And every smile and every single grin  
Conquers and captures their hearts and minds  
You can't not win  
Casting your spell,  
So arresting, effortlessly flabbergasting  
So far from what your suggesting  
Girl that gaze is everlasting  
So don't be a stranger little darling  
Until forever we will root for you

So don't be ridiculous sweet darlin  
Its so unlike you to be blue  
You had 'em the moment you walked in  
Everyone's rooting just for you  
And every smile and every single grin  
Conquers and captures their hearts and minds  
You can't not win  
Casting your spell,  
So arresting, effortlessly flabbergasting  
So far from what you're suggesting  
Girl that gaze is everlasting  
So don't be a stranger little darling  
Until forever we will root  
You won't ever get the boot  
For forever we will root for you!
