

# Night And Day

Sondre Lerche

Like the beat, beat, beat of the Tum-tum  
When the jungle shadows fall.  
Like the tick, tick, tock of the stately clock  
As it stands against the wall  
Like the drip, drip, drop of the rain drops  
When the summer shower is through.  
So a voice within me keeps repeating  
you, you, you.  
Night and day.  
You are the one.  
Only you beneath the moon  
under the sun.  
Weather near to me or far  
it's no matter darling, where you are.  
I think of you  
night and day.  
Day and night.  
Why is it so  
that this longing for you follows where ever I go?  
And the roaring traffic's boom  
in the silence of my lonely room.  
I think of you night and day.  
Day and night.  
Under the hide of me.  
There's an oh such a hungry yearning burning inside of me  
And its torment won't be through  
Till you let me spend my life making love to you.  
Day and night.  
Night and day.  
Night and day.  
Under the hide of me.  
There's an oh such and oh such a hungry yearning burning inside of me.  
And its torment won't be through  
Till you let me spend my life making love to you.  
Day and night .  
Night and  
day.  
Night and day.
