

All Friends Leave You (just What Can Last)

Songs: Ohia

all friends will leave you(x3)
leavin' will bring ya down and
leavin' will tear ya down and
leavin' will wear you down and
leavin' will bring you down
all your friends have left you(x3)
leavin' will bring ya down and
leavin' will wear ya down and
leavin' will bring ya down(x3)
leavin' will tear you down and
leavin' will bring you down
