

Angel Anthem (program:the Mask)

Songs: Ohia

where the blue of the night
meets the gold light of day
i know someone(x2) waits for me
faithless sinners dry your tears(x2)
and your lamentations
when the angels of the lord smile upon you
they'll be bringing your salvation
where the blue of the night
meets the gold light of day
i know someone(x2) waits who waits for me.
