

Baby Take A Look

Songs: Ohia

Baby take a look
Baby take a look
Baby take a look

Look at your man
Do I look like a man who doesn't understand
You are the one true thing
In a world full of untrue things

If you're down on your luck
If you're down on your luck
If you're down on your luck
I will hold till better times
I will hold till better times

So baby take that look
So baby take that look
So baby take that look
Look at your man

Do I look like a man who doesn't understand
You are the one
