Baby Take A Look

Baby take a look Baby take a look Baby take a look

Look at your man Do I look like a man who doesn't understand You are the one true thing In a world full of untrue things

If you're down on your luck If you're down on your luck If you're down on your luck I will hold till better times I will hold till better times

So baby take that look So baby take that look So baby take that look Look at your man

Do I look like a man who doesn't understand You are the one
