

## Come Back To Your Man

Songs: Ohia

Coaxingly closing to dangerous eyes  
They hang their lighted  
She feels the effort of hand's  
She feels the effort of e why e's  
She feels the effort of lie's  
Fumble across her  
Fumble across her  
There are demands on spirit and flesh  
And i've made the effort to survive them  
Now come back to your man  
Come back to your man  
Come back to your man  
Come back to your man
