

Gambling Song (an Ace Unable To Change)

Songs: Ohia

tonight i am gambling with my sentiment
tonight i am gambling with my repentance
deny i am losing in a crowded room
to a gambler in a crown of thorns
tonight i am down to my soul(x4)
tonight i am gambling with my sentiment
tonight i am gambling with my salvation
deny i am losing in a crowded room
to a gambler in a crown of thorns
tonight i am damned to my soul(x4)
