

Our Flesh In Dust (defenders)

Songs: Ohia

it's unlikely sorrow
will soon pass us by
cause our flesh in dust
will soon be laid
I'm still no one's darling
at least they're saying
got nobody waiting
though i'm pale and i'm young
i'm your leader
the grave of a singer
is it right to sing
of days long since past them
they're pale, they're were young
and your leader
