

Spaniel (the Rules Of Absence)

Songs: Ohia

and the spaniel's down among
the old blue tick
read about how the sherriff's down among
the old blue tick
and i can't say who you are
with your new running boards
and the spaniel's down among
the old black ear
read about how the Spainard's down among
the old black hair
and i can't say who you are
with your new running boards
and i can't say who you are,
goodnight city boys
