Beauty Lies in the Eye

Sonic Youth

There's something in the air there Makes you go insane Brings you back to me It's been so long All that I have to do Is live along It's coming coming down Over me Do you want to see The explosions in my eye Do you want to see The reflection of How we used to be Beauty lies In the eyes of anothers dreams Beauty lies Lost in anothers dream It's coming coming down Over me Do you want to see The explosions in my eye Do you want to see The reflection of How it used to be

Hey baby
Hey sweetheart
Hey fox come here
Hey beautiful
Come here sugar
