

I Love You Golden Blue

Sonic Youth

Dead boy stares
Strange to meet you
Dead boy cares
So great to see you

Isn't it time to go?
It's a place I know

I can't read your mind
I can't find the time
I can't feel the thrill
I don't have the will

Dead boy dares
Believe in you
Dead boy stares
Afraid that you will see him

Isn't it time to go?
Is it a place I know?

I can't read your mind
I can't find the time
I can't feel the thrill
I don't have the will

I love you, a metallic blue
I love you, golden blue
I miss you, shinin' all alone
I miss you, don't know what to do

I don't glitter like the stars above
I don't glow like neon alone
Don't blush, it's just the wind outside
Don't rush to be by my side
