

# Justice Is Might

Sonic Youth

This song this song this song is called  
This song okay  
This song is called justice is justice is might  
Okay it's about it's about it's about sonic life  
It's about it's about sonic life  
It's about sonic life that's right  
You have a genius you have a genius and a sex maniac  
Living together taking lots of drugs and and  
Fucking all day and as it's just it's just it's just like  
It's like it's like staying at home and risking your life  
This song okay this song this song is called justice  
This song is called ju  
This song is called justice is might

I know it's wrong  
But that is alright  
As long as it's strong  
It's just that it might  
Justice is might  
Justice is might  
Justice is might  
Justice is might

Justice is might  
Justice is might  
Justice is might  
Justice is might
