

New Hampshire

Sonic Youth

Trace paper fly onward
Trace paper fly onward
Wake, city's too high
City's too high-up

Kill us your scumbag youths
Kill us your scumbag youths, youths
Johnny Winter
Johnny Winter no show

B B King just turns on
The New Hampshire boys Steve and Joe
They're gonna lead on
They're doing' it for life

On my body got who has
Decimated gone with that
With one hypertonic
We'll lead on, lead on
